

# Canterbury Connect

## Projects & activity update:

### CANTERBURY COMMUNITY ACTION GROUP

---

#### **AGM Outcome**

Attendees at the AGM held on 17th March together with proxy votes received before the meeting confirmed the wish to see CCAG to continue its work.

Gordon Black was duly elected as President for the next year and members elected to the committee were Peter Jenkins, Jesse Oehm and Tim Wilkinson. We remain keen to engage with anyone from Canterbury who is interested in (willing) to serve on the committee or assist with activities which benefit the Canterbury community.

Membership fees for the current year were agreed to be \$20 and they are now due. New members are welcome and details on how to join CCAG are set out on the membership page of our website at

<https://ccag.net.au/index.php/welcome-2/conditions-of-membership/>

The above link also provides information for existing members on membership renewal.

#### **Boroondara Council Climate Action Plan**

Following the insights gathered from the first community consultation phase undertaken by Council officers, the second phase is now in progress and Council are seeking community input to identify any gaps and / or share any other ideas and suggestions before commencing development of a detailed plan.

Boroondara Council are seeking community input by

1. Completing an online survey by Wednesday March 31 and or
2. By participation in online forum sessions on Tuesday March 30
